and

(Name of the cable car/lift company, those responsible for ensuring the safety of/those with jurisdiction over the ski slopes) and (Name of the race organiser, association/alliance, ARGE (consortium), ski school, private organisers - hereafter referred to as the Organiser)

1) The Organiser _____ is permitted to organise a sporting competition in the form of a race against time and/or training run (hereafter referred to as Event) on _____ from _____ hrs to _____.

2) Those with jurisdiction over the ski slopes will make the following pistes / piste sections available to the Organiser or Fredi Zimmermann (0043 664 4413072) for the above named Event and its duration thereof:

Those with jurisdiction over the ski slopes inform the Organiser that winter /ski sport events are not permitted to take place on the slopes or terrain on which public winter sports / public skiing activities occur. For this reason, the Event may only take place on the pistes and/or piste sections where no public winter sports / public skiing occur concurrently.

The geographical limitations of the area supplied for the Event (race / training) will be specified on site with the respective representative from the cable car / lift company (managing director, director of operations etc.).

3) The Organiser is solely responsible for the Event's procedure, implementation and security as well as for the respective event grounds. The following responsibilities in particular are incumbent upon the Organiser:

3.1. The Event shall be confined exclusively to the allocated pistes / piste sections as well as to the above mentioned time frame.

3.2. The Organiser is responsible for safeguarding the race / training area with regards to spectators, bystanders and all others participating in winter sports in a suitable manner.

3.3. The Organizer is obliged to ensure that adequate safety precautions are made to ensure the physical safety of all active or passive participants and third parties. To this end, the entire event grounds including designated spectator areas shall be marked and secured in such a manner that non participating persons are not endangered by Event-related happenings - of any kind.

3.4. After race / training has ended, the Organisers are responsible for removing all gates, barriers and any other obstacles (e.g. broken gate posts, time measuring cables etc.) so that the piste / section can be safely used by winter sports persons / piste users.

4) With his/her signature, the Organiser confirms

5.1. to have the necessary expertise for fulfilling the above mentioned obligations;

5.2. to meet the above mentioned requirements

5.3. to be in possession of sufficient liability insurance, which includes cover for claims of damages in connection with the Event.

5) A separate agreement shall be concluded, when applicable, for the settlement of any possible additional costs (e.g. provision of materials, piste grooming, passenger transport etc.) incurred by those with jurisdiction over the ski slopes (cable car / lift company).

6) Cancellations are only accepted in writing and must be announced 8 business hours before the intended date.

In case of non-appearance "no-show" will be charged a cancellation fee of EURO 150.
